9.1 Extended hours for New Year's Eve 2006

President Bartels states that a couple of local establishments usually request to increase their hours of operation on New Year's Eve. Business hours are extended until 2 am; however, anyone that leaves the establishment is not allowed back into that establishment after midnight. The Liquor Commission is not granting anything tonight, but is in agreement that this is what has been done in the past. There will be one more Liquor Commission meeting on December 18th, after that the Liquor Commissioner can grant authority to the Chief of Police if there is anyone that requests extended hours after that date.
