PREAMBLES

WHEREAS, the Village of East Dundee, Cook and Kane Counties, Illinois (the “*Village*”) is a home-rule municipality pursuant to Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970; and,

WHEREAS, pursuant to the Tax Increment Allocation Redevelopment Act of the State of Illinois, 65 ILCS 5/11-74.4-1 *et seq.*, as from time to time amended (the “*TIF Act*”), the President and Board of Trustees of the Village (collectively, the “*Corporate Authorities*”) are empowered to undertake the development or redevelopment of a designated area within the municipal boundaries of the Village in which existing conditions permit such area to be classified as a “blighted area” as defined in Section 11.74.4-3(a) of the TIF Act; and,

WHEREAS, in accordance with its powers and the requirements of the TIF Act, the Corporate Authorities, pursuant to Ordinance No. 08-34, adopted by the Corporate Authorities on June 16, 2008, approved a redevelopment plan and project for the Village of East Dundee Downtown Redevelopment Project Area (the “*Redevelopment Project Area*”) (the “*Redevelopment Plan*”), which sets forth a plan for the development, redevelopment and revitalization of the Redevelopment Project Area; and,

WHEREAS, the Developer has advised the Village that it intends to acquire the property commonly known as 207 Barrington Avenue located in the Village and within the Redevelopment Project Area, and legally described on *Exhibit A*, attached hereto and made a part hereof (the “*Subject Property*”), for uses consistent with the Village Comprehensive Plan, Zoning Code and the Redevelopment Plan (collectively, “*Village Plans*”); and,

WHEREAS, the Developer has informed the Village that it is not economically feasible to undertake additional redevelopment of the Subject Property (the “*Project*”) without financial assistance from the Village available through the TIF Act; and,

WHEREAS, the existence of the blighting factors in the Redevelopment Project Area and the extraordinary costs necessary for development and redevelopment of the Redevelopment Project Area have prevented private developers from developing, redeveloping and revitalizing the area which has, in turn, limited the development and construction of commercial and industrial enterprises within the Redevelopment Project Area; and,

WHEREAS, the Developer understands that completion of the redevelopment of the Subject Property must be in accordance with the Village Plans and all applicable Village ordinances (collectively the “*Legal Requirements*”) and the Village has determined that the Developer has the necessary qualifications, expertise and background to complete the redevelopment of the Subject Property; and,

WHEREAS, the completion of the redevelopment of the Subject Property shall further the goals and objectives of the Village Plans for the adjacent properties; and,

WHEREAS, the Village is authorized under the TIF Act to incur costs and to make and enter into all contracts necessary or incidental to the implementation of the Redevelopment Plan for the Redevelopment Project Area; and,

WHEREAS, the Corporate Authorities have determined that the provision by the Village to the Developer of the assistance hereinafter described and the acquisition and the completion of the redevelopment by the Developer of the Subject Property pursuant to this Agreement are in the best interests of the Village and its residents and taxpayers, thereby helping to provide for economic development, and job opportunities for the inhabitants of the Village, enhance the tax base of the Village and other taxing districts, and add to the welfare and prosperity of the Village and its inhabitants.

Section 15. Remedies – Liability.

(a) If, in the Village's judgment, the Developer is in default of this Agreement, the Village shall provide the Developer with a written statement indicating any failure on the Developer's part to fulfill its obligations under this Agreement. Except as required to protect against further damages, the Village may not exercise any remedies against the Developer in connection with such failure until thirty (30) days after giving such notice. If such default cannot be cured within such thirty (30) day period, such thirty (30) days period shall be extended for such time as is reasonably necessary for the curing of the same, so long as the Developer diligently proceeds with such cure; if such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. A default not cured as provided above shall constitute a breach of this Agreement. Any failure or delay by the Village in asserting any of its rights or remedies as to any default or alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

(b) If the Developer fails to fulfill their obligations under this Agreement after notice is given by the Village and any cure periods described in paragraph (a) above have expired, the Village may elect to terminate its obligations under this Agreement or exercise any right or remedy it may have at law or in equity, including the right to specifically enforce the terms and conditions of this Agreement. If any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy or insolvency act shall be filed by or against the Developer, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare the Developer insolvent or unable to pay the Developer's debts, or the Developer makes an assignment for the benefit of its creditors, or a trustee or receiver is appointed for the

Developer or for the major part of any of the Developer's property, the Village may elect, to the extent such election is permitted by law and is not unenforceable under applicable federal bankruptcy laws, but is not required, with or without notice of such election and with or without entry or other action by the Village, to forthwith terminate this Agreement. To effect the Village's termination of this Agreement under this Section, the Village's sole obligation shall be to record, in the Office of the Kane County Recorder, a Certificate of Default, executed by the President of the Village or such other person as shall be designated by the Village, stating that this Agreement is terminated pursuant to the provisions of this Section, in which event this Agreement, by virtue of the recording of such certificate, shall *ipso facto* automatically become null and void and of no further force and effect.

(c) If, in the Developer's judgment, the Village is in default of this Agreement, the Developer shall provide the Village with a written statement indicating in adequate detail any failure on the Village's part to fulfill its obligations under this Agreement. The Developer may not exercise any remedies against the Village in connection with such failure until thirty (30) days after giving such notice. If such default cannot be cured within such thirty (30) day period, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of the same, so long as the Village diligently proceeds with such cure; if such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. Any failure or delay by the Developer in asserting any of its rights or remedies as to any default or any alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

(d) In addition to any other rights or remedies, a party may institute legal action against the other party to cure, correct or remedy any default, or to obtain any other remedy

consistent with the purpose of this Agreement, either at law or in equity, including, but not limited to the equitable remedy of an action for specific performance; provided, however, no recourse under or upon any obligation contained herein or for any claim based thereon shall be had against the Village, its officers, agents, attorneys, representatives or employees in any amount or in excess of any specific sum agreed to be paid by the Village hereunder, and no liability, right or claim at law or in equity shall be attached to or incurred by the Village, its officers, agents, attorneys, representatives or employees in any amount in excess of any specific sums agreed by the Village to be paid hereunder and any such claim is hereby expressly waived and released as a condition of and as consideration for the execution of this Agreement by the Village. Notwithstanding the foregoing, in the event either party shall institute legal action against the other party because of a breach of any agreement or obligation contained in this Agreement, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred in connection with such action.

(e) The rights and remedies of the parties are cumulative and the exercise by a party of one or more of such rights or remedies shall not preclude the exercise by it, at the same time or different times, of any other rights or remedies for the same default or for any other default by the other party. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Illinois. Any legal proceedings shall be commenced in the Circuit Court of Kane County.

Section 16. Amendment.

This Agreement, and any exhibits attached to this Agreement, may be amended only in a writing signed by all parties with the adoption of any ordinance or resolution of the Village approving said amendment, as provided by law, and by execution of said amendment by the

parties or their successors in interest. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof.

Section 17. Developer Covenants.

The Developer covenants and agrees to repay the Village any and all sums paid by the Village to the Developer pursuant to this Agreement in the event the structure on the Subject Property is destroyed and not rebuilt within one (1) year of the date of destruction or the Developer has not abated building code violations after receipt of notice and the time to abate has expired.

Section 18. Counterparts.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
