Also in attendance Administrator Jennifer Johnsen, Assistant Village Administrator Brad Mitchell, Finance Director Zaida Torres, Public Works Director Phil Cotter, Village Engineer Joe Heinz and Village Clerk Katherine Holt

PLEDGE OF ALLEGIANCE: Recited

PUBLIC COMMENT (Agenda items only):

Allen Skillicorn, State Representative and East Dundee Resident

Mr. Skillicorn said that the levy has been flat since 2011 in East Dundee. He urged the Board to keep the levy flat and requested that a motion be made to amend when voting this evening. He advised that he filed two referendums today, one is to end the trash tax and the other is to end home rule.

Howard Burton, Resident – 106 Aldis Drive, East Dundee, IL

Mr. Burton addressed the Board with his strong objection of any plan to increase property taxes.

Pam Figolah – East Dundee, IL Homeowner/Landlord

Ms. Figolah had questions on the various financials of the Village. Finance Director Torres advised that the financial disclosures and CAFR are posted on East Dundee's website. Figolah asked if there was a financial plan being put into place. President Miller responded that budget meetings for the next fiscal year will be starting up shortly where these discussions will be had.

Trustee Hall arrived to the meeting at 6:03 p.m.

Motion to open the 2017 Tax Levy Public Hearing by Wood/Lynam.

CONSENT AGENDA-CONSIDERATION OF AN “OMNIBUS VOTE”:

Illinois Municipalities may adopt by a single roll call vote of the Village Board and Village President, a group of assorted ordinances, resolution, motions and orders by an “Omnibus Vote”. The “Omnibus Vote” shall be taken following the unanimous consent by the President and Board as to the items to be included. Any Trustee or the President may request that any item not be included in that vote.

- A. Approval of an Ordinance of the Village of East Dundee, Illinois Amending the Village Code Regarding the Village Electronic Sign Rental**
- B. Approval of an Ordinance of the Village of East Dundee, Cook and Kane Counties, Illinois Approving a Second Development Agreement by and between the Village of East Dundee and Pal Land, LLC (The Travel Center)**

Motion to Approve the Consent Agenda by Lynam/Mahony. Motion carries by unanimous vote.

OLD BUSINESS:

A. Northern Kane County Chamber Community Service Award Report

Melissa Hernandez reported that the Community Service Award event was held in November and she presented the Board with a plaque of the 5 recipients from the last 5 years. She advised that the recipients were very honored to receive the award. President Miller thanked Ms. Hernandez for coordinating and hosting this annual event. He said that he has attended every year and it is amazing to hear the stories behind the recipients chosen.

Ms. Hernandez stated that Diane Ahrens was this year's East Dundee recipient who owns Piece-A-Cake Bakery. She advised that Diane Ahrens is a retired marine who created "Operation Sweet Tooth" which sends baked goods to deployed military. Hernandez said recently her own daughter was deployed and received baked goods from Diane. She said that she has now witnessed first hand of how much this program means to deployed military. President Miller said that donations for this program can be made at the bakery.

B. Approval of an Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2017, and Ending April 30, 2018 for the Village of East Dundee, Kane and Cook Counties, Illinois

Motion for an Approval of an Ordinance for the Levy and Assessment of Taxes for the Fiscal Year Beginning May 1, 2017, and Ending April 30, 2018 for the Village of East Dundee, Kane and Cook Counties, Illinois by Lynam/Wood.

Discussion:

Administrator Johnsen explained that with a 13% increase, owners of a \$200,000 home will pay an additional \$51 per year in property taxes. The higher levy amount of 32% would have resulted in an increase of \$126 per year. She stated that had the Village collected the PTELL over the last several years, it would have amounted to an additional \$74,000 at this time. She advised that this is the 13% increase that would match for the uncollected PTELL in keeping the property taxes flat. She explained that the Village is a very small part of the tax bill, approximately 6%, and the increase applies only to the Village's rate and not the entire tax bill. She said that by raising the levy a little more, a balloon payment can be avoided by the residents later. She stated that anything more than the statutory minimum is the right thing to do.

There was discussion on different increase amounts to consider. Trustees Lynam and Selep are in favor of a higher increase, stating that they would rather tax more now to put the Village in a better position in the future.

Johnsen said that if there is going to be a referendum question about home rule, she wants the Board to understand that this 13% is recapturing what the Village could have collected from the PTELL. She said if the Village goes over 13%, there will be residents that will ask why the Village levied higher than what may have been promised. She stated that home rule sales tax is bringing in \$1.6 million. She said the Village has debt service that is approximately \$2.3 million next year. She stated that because of home rules sales tax and other fees in place, the Village is able to abate the bond costs. The Village will not be able to abate the bonds without home rule sales tax. And instead of this being paid by patrons outside of East Dundee, it will be paid by the residents. She said this is why it is important to protect the home rule

status. Johnsen added that the Village's debt services have changed in the recent years as it has significantly grown. She advised that the Village is unable to refinance until 2021. The bonds will not be able to be abated and the last thing the Village wants to do is have the residents pay.

Motion to Amend the Ordinance to a levy increase of 13% and approve the Ordinance as amended by Andresen/Mahony.

Roll: Ayes – 4 – Trustees Wood, Hall, Mahony and Andresen. Nays – 2 - Trustees Lynam and Selep. Absent – 0. Motion carries.

NEW BUSINESS:

President Miller calls to order the Village of East Dundee Special Board Meeting at 6:00 p.m.

ROLL CALL:

Trustees Lynam, Selep, Wood, Hall, Mahony, Andresen and President Miller.

Also in attendance Administrator Jennifer Johnsen, Chief of Police Terry Mee and Director of Public Works Phil Cotter.

Motion to appoint Jennifer Johnsen as the Recording Secretary by Lynam/Wood. Motion carries by unanimous vote.

PLEDGE OF ALLEGIANCE: Recited

PUBLIC COMMENT (Agenda Items only):

Allen Skillicorn, State Representative and East Dundee Resident

Mr. Skillicorn stated that if the bonds are secured by sales tax, it is his impression that no judge will allow sales tax to be taken away until the bonds are paid off. He also said that no judge is going to allow a 300% property tax increase for a municipality that is going to be ruled under PTELL. He wants to ensure that the Village's wording of the public question is accurate terminology.

Rob Gorman, East Dundee Resident

Mr. Gorman stated that the public question may be confusing to folks. He said that one of the questions is answered in the negative and the other is answered in the affirmative. He suggested that the advisory question be framed up to be consistent and explain what the impact would be.

NEW BUSINESS:

A. Approval of a Resolution Placing a Public Question on the Ballot at the Next Election in the Village of East Dundee, IL

Motion for an Approval of a Resolution Placing a Public Question on the Ballot at the Next Election in the Village of East Dundee, IL by Lynam/Wood.

Discussion:

Administrator Johnsen explained that the bonds are general obligation bonds and not secured by sales tax. Because of the Village's home rule sales tax, it is able to abate the bond payments that would otherwise come through the property tax levy. The Village would likely have to implement a \$1.94 million, or 300 percent, property tax levy increase for the Village's portion next year to fund the annual bond payment.

Trustee Lynam asked Mr. Skillicorn if while asking the residents to support his position on this, if he has educated them on the consequence of this decision. He said that the least he owes them is a clear understanding of what the result will be when voting in favor of his position. Skillicorn responded that he

told many people that in the event that home rule sales tax goes away, the Village will be backed subject to PTELL. He said if home rule is repealed, the Village can always ask residents to vote for higher taxes via a referendum. Johnsen advised that in the last six months, a lot has been revealed about the Village's finances. She said that nobody wanted to charge for garbage but it was out of necessity. She said losing home rule status will sink the Village financially and increase the tax burden on residents. She stated that major developers will likely back out of their construction projects because they are backed by home rule sales tax. She said that the Board is going to have an education campaign to inform the residents of the benefits of home rule. President Miller added that the Speedway and Palumbo projects could have given the revenue next year that would have abated the garbage fee, however, that all stops if home rule status is repealed. He said it would also cause water and sewer fees to double or triple.

Administrator Johnsen further explained that everything is in a negative fund balance. She stated that the TIFs owe \$6 million back to the general fund. She said that the reality is that the Village is in a million dollar deficit for the remainder of the TIFs. She advised that the reserves were depleted and it was not reported to the Board. She said this has been documented by the auditors and that this is not a scare tactic. President Miller commented that from the people he has spoken with that were involved in initial home rule status discussions, garbage was never brought up as something that would be paid for by the Village indefinitely. He said it was discussed but not part of the arrangement. He said the arrangement was that if the Village went home rule, it would not raise by more than PTELL. Johnsen stated that the Village was to be collecting the refuse fee through the property tax levy per the Village code. However, the Board stopped doing so because of the cost of the pension obligation.

The Board urged Skillicorn to withdraw his petition and to work on a compromise. Skillicorn would not agree to do so. The Board then took some time to discuss and update the language of the public question that will be placed on the ballot.

Motion to amend the Resolution language of the public question to read "Shall the Village of East Dundee, IL remain a home rule unit of government in order to 1) pay for the Village's general obligation bonds with home rule revenues and avoid increasing property taxes by \$1.94 million (304%); approximately \$1,200/year for a home valued at \$185,000 and 2) fulfill the Village's home rule sales tax sharing agreements for planned development projects?" by Wood/Lynam.

Memorandum

TO: Jennifer Johnsen, Village Administrator
FROM: Phil Cotter, Director of Public Works
DATE: February 2, 2018
RE: Authorization to Sell Surplus Property

Issue/Analysis: Attached is a proposed Ordinance authorizing the sale of surplus property via public auction. The following is a brief summary of the items to be sold:

1991 Ford L8000 dump truck with snow plow and salt spreader. This vehicle (#32) was purchased by the Public Works Department in FY 90-91 and primarily utilized for Street Division operations. This included snow plowing, salt spreading, and hauling of various materials. Because of the truck's age (parts are obsolete), mechanical problems, and rust, this vehicle can no longer be utilized for the purpose described. Accordingly, Staff is seeking to sell this vehicle, with installed equipment, and has established a minimum purchase price of \$6,000.00.

1993 Mark Line Office Trailer. This 48-foot long trailer was purchased by the Village in FY06 to accommodate Village Board and other meetings. The trailer also accommodated various training events. Since Village Board meetings now convene in the Police Facility, this trailer can no longer be utilized for the purpose described. Accordingly, Staff is seeking to sell this trailer and has established a minimum purchase price of \$10,000.00.

Recommendation: Staff proposes to sell this surplus property using an online auction service, such as Obenauf Online Auction Service, Ebay, or perhaps another online auction service, and recommend approval of the proposed Ordinance attached hereto. I have used Obenauf previously and experienced positive results. If the Village Board concurs with this recommendation, the following motion would be appropriate: *Motion to approve the attached Ordinance authorizing the sale of municipal surplus property by public auction.*

RESOLUTION NUMBER ____-18

**RESOLUTION DECLARING CERTAIN VEHICLES,
EQUIPMENT AND OTHER VILLAGE PROPERTY TO BE
SURPLUS AND AUTHORIZING SALE OF SAID VEHICLES,
EQUIPMENT AND OTHER VILLAGE PROPERTY
AT AUCTION**

WHEREAS, the Village of East Dundee is a home rule unit of local government under and pursuant to Section 6 of Article VII of the Constitution of the State of Illinois, has the authority to exercise any power and perform any function pertaining to its government and affairs, including but not limited to the power to regulate for the protection of the public health, safety, morals, and welfare; and

WHEREAS, the Village Board has been advised that the following described property has been removed from service and are no longer needed by the Village; and

<u>ITEM DESCRIPTION</u>	<u>MINIMUM VALUE</u>
1. 1991 Ford L8000 dump truck with snow plow and salt spreader VIN # 1FDYY82AXNVA001422	\$6,000.00
2. 1993 Mark Line Office Trailer Serial # 23750 & 23751	\$10,000.00

WHEREAS, the Village Board has determined that the vehicles, equipment and other Village property so listed have been used beyond their economical and/or useful life and may be declared as surplus property; and

WHEREAS, pursuant to 65 ILCS 5/11-76-4 of the Illinois Municipal Code, the Village Board may authorize the sale of surplus village property; and

WHEREAS, it is deemed necessary and desirable for the Village of East Dundee to sell the listed surplus items at Internet auction to the highest bidder.

NOW THEREFORE BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF EAST DUNDEE, COOK AND KANE COUNTIES, ILLINOIS, AS FOLLOWS:

Section One. That the Village of East Dundee, acting by and through its President and Board of Trustees, approves the sale of the vehicles, equipment and other Village property so listed and has determined the items to be surplus property as identified.

Section Two. That the proceeds from the sale of the surplus property will be deposited in the appropriate Village fund from which the property was originally purchased.

Section Three. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section Four. Repeal. If any section, paragraph, clause, or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this Resolution.

Section Five. Publication. This resolution shall be in full force and effect forthwith upon its adoption, approval and publication in pamphlet form as provided by law.

From: Jennifer Johnsen, Village Administrator
Subject: Amstar Video Gaming Request
Date: February 5, 2018

Attached, please find a letter from Jay Pastakia, owner of the Amstar gas station at the northeast corner of River Street and Route 72. The letter is requesting video gaming at his location.

As the property is less than 4 acres, the gas station cannot be considered a truck stop. Under State Statute, video gaming is permitted in truck stops but not gas station. Therefore, the only way that video gaming could be permitted under the State Statute would be if the Village were to grant Amstar a liquor license that allows for consumption of alcoholic beverages on the premises.

The Village Board has restricted the number of liquor licenses and video gaming licenses. As such, I am requesting direction from the Village Board on whether or not to create an additional liquor license and video gaming license for Amstar. The current number of video gaming licenses in the Village is fourteen.

Village Administrator Recommendation:

It is my recommendation to deny this request. It was the intent of the State Statute to make a distinction between truck stops and gas stations and therefore limit the number of video gaming licenses issued by the State of Illinois. Allowing a consumption license in a gas station that is not a truck stop is working around the intent of the State Statute. Furthermore, there are currently three other gas stations in the Village that fall short of meeting the truck stop requirement. One of these gas stations has previously expressed interest in obtaining a consumption license for the same purpose.

Action Requested: Discussion and consensus regarding Amstar's video gaming request.

RE: Liquor License

In 1999 I purchased the property and business at 305 E Main Street and have owned it since then. When I purchased this property it was in very bad condition, both inside and out, as some may remember. In 2001 the property was completely remodeled and over the years, I have continued to make improvements.

We currently sell gas, packaged liquor, groceries, tobacco and Illinois State Lottery products. My business has changed and evolved over the years, as most businesses have, and to stay competitive, I would like to make a formal request to install Video Gaming Machines at my place of business. In order to do this, I would need a liquor license that would allow us to serve beer and wine in our location.

I currently have two competitors, within two miles, that are operating Video Gaming Machines at their locations. This situation has put me at a disadvantage and to stay competitive, I would like to do the same. To better compete we are also switching from Amstar to BP in the next 4 to 5 months.

Attached you will find a drawing of the area where we would like to install the Video Gaming Machines. We would build a partition wall with glass on the upper portion of the wall and create an entrance to this gaming area directly next to our current service counter. This would give us the ability to monitor the gaming area at all times.

Thank you in advance for considering my request. I am available to discuss this issue and answer any questions you may have.

Sincerely,

Jay R. Pastakia

Village of East Dundee Memorandum

To: Village President and Board of Trustees
CC: Zaida Torres, Finance Director
From: Jennifer Johnsen, Village Administrator
Subject: Tax Cap and Bond Limitation Policy
Date: February 5, 2018

Tax Cap Limitation

As you may be aware, the Village Board approved Ordinance 04-04, prior to the 2004 home rule referendum, setting a limitation on the annual property tax increase that the Village could levy. Generally speaking, the limitation mirrored the Property Tax Extension Limitation Law (PTELL or “tax cap”). Under PTELL, increases in property tax extensions are limited to the lesser of 5% or the national CPI plus additional increases for new construction and annexations as well as increases resulting from the expiration of a TIF District.

At this time, I am recommending that the Village adopt this limitation as part of its Village Code to inform future Village Boards and administrations of this limitation. This limitation would be expounded upon to allow the Village to recapture uncollected increases for years when the Village levied less than the tax cap.

Bond Limitation

In addition, within the attached ordinance, I am introducing a new limitation regarding the Village’s bonding authority. Under home rule status, the Village has the authority to issue debt without referendum or limitation. Since the adoption of home rule, the Village has used this authority for various public infrastructure and economic development projects that have positively transformed the Village and increased the EAV of the Village by 23% over the past three years. See the attached spreadsheet for a list of these projects.

Conversely, non-home rule communities must seek voter approval through referendum for the issuance of most debt. Furthermore, non-home rule communities are limited by State Statute with regards to the amount of total debt that can be issued. This amount is 8.625% of the Village’s EAV. In the Village of East Dundee, this limit is approximately \$10 million.

Currently, annual debt service payments are not being funded through property taxes and the Village abates the general obligation bond payments that would otherwise be collected through property taxes. It is my recommendation that the Village place the following limitation on the Village’s bonding authority.

A limitation that the Village Board pledge revenues other than property taxes for any future debt issued beyond the 8.625% State Statute limitation.

This bond limitation would also be codified into the Village Code. Both the tax cap and bond limitation would only apply as long as the Village remained a home rule unit of government.

Action Requested: Discussion and consideration of the attached Ordinance Regarding the Home Rule Property Tax Cap and Bond Limitations Policy.

ORDINANCE NUMBER 18-_____

AN ORDINANCE OF THE VILLAGE OF EAST DUNDEE, COOK AND KANE COUNTIES, ILLINOIS REPEALING ORDINANCE 04-04 AND AMENDING CHAPTER 35 OF THE VILLAGE OF EAST DUNDEE VILLAGE CODE REGARDING A VOLUNTARY LIMIT ON THE ANNUAL PERCENTAGE OF INCREASE IN THE PROPERTY TAX LEVY TO BE EXTENDED BY THE VILLAGE OF EAST DUNDEE AND REGARDING VOLUNTARY LIMITATIONS ON THE ISSUANCE OF BONDS PAYABLE FROM THE VILLAGE OF EAST DUNDEE'S GENERAL PROPERTY TAX LEVY

(Home Rule Property Tax Cap and Bond Limitations Policy)

WHEREAS, the Village of East Dundee ("Village") is a home rule unit of local government pursuant to Section 6 of Article VII of the Constitution of the State of Illinois, and has the authority to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the President and Board of Trustees of the Village ("Corporate Authorities") passed and approved Ordinance No. 04-04 entitled "An Ordinance Establishing A Voluntary Limit On The Annual Percentage Of Increase In The Tax Levy To Be Extended By The Village Of East Dundee In The Event The Electors Approve The Village's Home Rule Referendum At The March 16, 2004 General Election (Home Rule Property Tax Cap)" on February 16, 2004; and

WHEREAS, Ordinance No. 04-04 expresses the intent of the Corporate Authorities to duplicate and follow certain of the provisions of the Illinois Property Tax Extension Limitation Law, 35 ILCS 200/18-185, *et seq.* ("PTELL"), and to bind the Village to PTELL's provisions, as set forth therein, for so long as the Village remains a home rule unit of local government; and

WHEREAS, the Corporate Authorities have determined that it best serves the public's health, safety and welfare to repeal Ordinance No. 04-04 and to amend Chapter 35 of the Village of East Dundee Village Code ("Village Code") with the addition of codified provisions regarding the intent of the Corporate Authorities to duplicate and follow the provisions of the PTELL, and to bind the Village to PTELL's provisions, as set forth herein, for so long as the Village remains a home rule unit of local government, and to further limit and restrict the Village's authority to issue new bonds payable from the Village's general property tax levy;

NOW THEREFORE BE IT ORDAINED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF EAST DUNDEE, COOK AND KANE COUNTIES, ILLINOIS, AS FOLLOWS:

SECTION 1: Each Whereas paragraph above is incorporated by reference into this Section and made a part hereof as material and operative provisions of this

Ordinance.

SECTION 2: Ordinance No. 04-04 is hereby repealed.

SECTION 3: Chapter 35 of the Village Code is hereby amended by creating a new Section 35.15, entitled “Home Rule Property Tax Cap and Bond Limitations Policy,” which shall read in its entirety as follows:

“(A) *Applicability and Purpose.* This Section 35.15 shall apply only if the Village of East Dundee is a home rule unit. If the Village is not a home rule unit, this Section 35.15 shall not apply. The purpose of this Section 35.15 is to restrict the Village’s authority to levy property taxes and issue bonds payable from the Village’s general property tax levy. As set forth in this Section, the Village is limited in the amount of property taxes it may increase its levy over the prior year to the lesser of Five Percent (5%) or the Consumer Price Index. However, the Village reserves the right in this Section, as set forth below, to base future property tax levies on the maximum amount it could have levied in each year, regardless of whether or not the Village actually levied that maximum amount.

(B) *Definitions.* For purposes of this section, the following words and phrases have the following meanings:

(1) **AGGREGATE LEVY.** The annual levy of property taxes by the Village for all purposes, with the exception of:

(a) Amounts levied for the specific purposes of special service areas and special assessments;

(b) Amounts levied for payments of debt service prior to the effective date of this ordinance unit; and

(c) Other amounts excluded from the aggregate levy under the PTELL or other State statute.

(2) **BONDS.** Any instrument evidencing the obligation to pay money authorized or issued by or on behalf of the Village under applicable law, including without limitation, bonds, notes, installment or financing contracts, certificates, tax anticipation warrants or notes, vouchers, and any other evidences of indebtedness.

(3) **CONSUMER PRICE INDEX.** The consumer price index for all urban consumers (CPI-U) for the Midwest Region for all items, published by the United States Department of Labor.

(4) **LEVY CAP.** The amount of the aggregate levy for the year preceding the effective date of this ordinance, increased each year thereafter by: (i) the lesser of Five Percent (5%) or the percentage increase in the annualized Consumer Price Index from December of two (2) years prior to the current levy year to December of one (1) year prior to the current year levy year, and (ii) “new property” and “recovered tax increment value,” as both are defined in the PTELL.

(5) **PTELL.** The Illinois Property Tax Extension Limitation Law, as amended from time to time.

(C) *Tax Cap.* The Village shall not certify to the Cook County Clerk or to the Kane County Clerk an aggregate levy in one year that exceeds the levy cap. Nothing in this ordinance shall be construed to impair any contract executed, or obligation incurred, prior to the effective date of this ordinance.

(D) *Limitations on New Bonds.* After the effective date of this ordinance, the Village shall not issue bonds that are payable from the Village’s general property tax levy in an amount greater than the limit in Section 8-5-1 of the Illinois Municipal Code, 65 ILCS 5/8-5-1, as amended from time to time. The limitations herein do not apply to bonds that are payable from incremental property taxes, special service area levies, special assessment levies, or any other revenue source, except for the Village’s general property tax levy.”

SECTION 4: If any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 5: All ordinances or parts of ordinances in conflict herewith are, to the extent of such conflict, hereby repealed.

SECTION 6: This Ordinance shall be in full force and effect forthwith upon its adoption, approval and publication in pamphlet form as provided by law.
