4.1 Class E License Application Request Presentation – Paintball Explosion/Polar Dome (Romeo Kapudija & T.J. Andres)

Chief Mee introduced the owners of Paintball Explosion, Romeo Kapudija and T.J. Andres. They are requesting a Class E License for the Polar Dome property. They will operate the bar and restaurant but would also like to have a concession stand separate. They would like to add better food to the menu, such as steak and ribs. The bar and grill's operating hours will be 12:00 p.m.-11:00 p.m. They hope to operate 7 days a week. Bartels asked how they will keep the alcohol and the paintball separate. They stated they will use a wristband system that will not allow people who have consumed alcohol to return to playing paintball. They will have their own security handle the alcohol portion of the business. Mee stated the license will be renewed July 1st but they can pay a pro-rated amount to acquire it sooner. Consensus of the Commission is to proceed.
