

120 Barrington Ave - East Dundee, IL 60118

Phone: 847-426-2822 Fax 847-426-2956

The Village of East Dundee is offering a shared cost 50/50 Parkway Tree Planting Program. Residents can purchase a new parkway tree and the Village will pay half the cost of the tree and plant it for you. This is a wonderful opportunity to plant trees in the Village that promote a healthier environment, aid in storm water management, and boost property values within our community.

All tree requests must have an approved parkway review before an order can be placed. Please do not send payment at this time. Call the Public Works Department at (847) 426-2822 to request a review of your parkway if you are interested in participating in this program.

The Village will plant and mulch each tree. The Village kindly requests that residents water the tree(s) after they have been planted. Each tree delivered is balled and burlapped with an average size being 2 inches in diameter (unless otherwise noted below), and covered by a one-year warranty.

How the Program Works:

To request a review of your parkway, please contact the Public Works Department at (847) 426-2822.

Next, a member of the Public Works Department will conduct a parkway review. They will review the area for tree spacing, soil conditions and existing above ground and underground utilities. All of these factors will impact the planting of a new tree.

After the parkway review, you will receive a letter advising you of your approval status for a 50/50 Parkway Tree. If your request has been approved, you will receive an Order Form and instructions about where to send your order with payment.

The available trees for the program this year are shown below (cost shown reflects resident's share).

Shade Trees with Unrestricted Canopy Growth (all 2" caliper):

Accolade Elm - \$105.00

Freeman's Maple - \$120.00
