Important Update from Your Dundee Depot Market

As you've probably heard, guidance from our state and federal government and the CDC mandates continued physical distancing requirements throughout the summer. As such, the Village of East Dundee recently cancelled all community events scheduled for 2020, which includes our Depot Market, Wine Down Wednesday, Thirsty Thursday, and Oktoberfest as well as any rental of the Depot and Depot Park.

This decision, while very difficult and unfortunate, was made in response to the projected continuation of social distancing guidelines, as well as the financial impact on the Village's finances due to COVID-19. We respect this decision as we all continue to take the COVID-19 pandemic very seriously while focusing on the safety and wellness of residents and businesses and doing what we can to limit the spread of COVID-19.

While our focus now for 2020 is HEALTH, we look forward to FUN in 2021 with a full season of everyone's favorite events and your participation in the Dundee Depot Market. Thank you for your understanding, and please stay safe and healthy!

Please follow us on Facebook (Dundee Depot and Market) and Instagram (dundeedepot) for the latest news and updates.

Sincerely,

Stephen K. Pickett, President, Dundee Township Visitor's Center
