- (2) Private swimming pools shall be permitted accessory uses in any residence district, provided they conform with the regulations of this chapter and other applicable ordinances of the village.
- (B) No accessory building unless it is structurally a part of the principal building and unless it conforms with requirements of accessory buildings for special uses shall be erected or altered at, nor moved to a location within ten feet of the nearest wall of the principal building, or not less than f Li.Ft. to any part of a structure on any adjacent lot or parcel, nor within the required area for front or side yard of the lot, as set forth for the district and in residence districts. An accessory building in a rear yard shall not be less than five feet from any property line, except where a driveway along the side lot line is not adjacent to a driveway on an adjoining lot, a detached garage need not be more than three feet from the side lot line, except on corner lots an accessory building shall be not nearer than the required depth of the front yard along the property line adjoining the street and on through lots, not less than the distance required for a front yard from the rear lot line abutting a street.

Section Four. That Section 157.085, Accessory Building and Uses, of the

Zoning Ordinance be amended to read as follows:

§ 157.107 EXEMPTIONS.

- (A) No building, structure or use, lawfully established on the effective date of this chapter, shall be subject to the provisions of this subchapter solely by reason of being non-conforming with respect to the applicable standards prescribed in this chapter for any of the following:
- (1) Floor area ratio;
 - (2) Yards, front, side, rear or transitional;
 - (3) Lot area per dwelling unit;
 - (4) Lot width;
 - (5) Ground floor area per dwelling;
 - (6) Gross floor area;
 - (7) Performance standards; and
 - (8) Off-street parking or loading spaces.
- (B) No building, or part thereof, lawfully existing on the effective date of this chapter, which is designed and used or intended for use as a single family dwelling, shall be subject to the provisions of this subchapter.(1981 Code, Art. V, C) (Ord. passed 12- -1986)
- (1) It is the intent of Section 157.107 to allow alteration, expansion, remodeling of non-conforming single-family dwellings and/or other structures so long as expansion activities do not make the buildings or structures “more” non-conforming.

Section Five. That Section 157.085, Accessory Building and Uses, of the

Zoning Ordinance be amended to read as follows:

§ 157.108 RESTRICTIONS.

Any lawfully existing building or structure which does not conform with the regulations of the district in which it is located shall be subject to the provisions of this section.

(A) Repairs and Alterations.

- (1) Minor repairs and alterations may be made to a non-conforming building or structure; provided that, no structural alterations shall be made in or to the building or structure, all or substantially all of which is designed or intended for a use not permitted in the district in which it is located, except those required by law, or except to make the building or structure, and use thereof, conform to the regulations of the district in which it is located.
- (2) Minor repairs and alterations shall be determined by the Building Inspector and shall include, among other things, the replacement of storage tanks where the safety of operation of the installation requires the replacement.

(B) Additions and Enlargements. A non-conforming building or structure, all or substantially all of which is designed or intended for a use not permitted in the district in which it is located, shall not be added to or enlarged in any manner unless the non-conforming building or structure and use thereof, including all additions and enlargements thereto, is made to conform to all the regulations of the district into which it is located.

(C) Moving. No building or structure which does not conform to all of the regulations of the district in which it is located shall be moved in whole or in part to any other location unless every portion of the building or structure is moved and is made to conform to all regulations of the district into which it is moved.

(D) Restoration of Damaged Non-Conforming Building.

- (1) A building or structure, all or substantially all of which is designed or intended for a use which is not permitted in the

district in which it located, and which is destroyed or damaged by fire or other casualty or act of God may be restored to its original bulk and used for the use existing at the time of damage; provided that, restoration is started, as defined by a building permit having been applied for and granted within 12 months from the date damage occurred.

Section Six. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

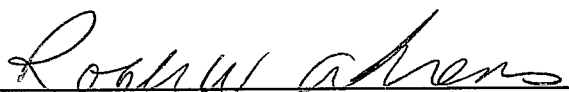

Section Seven. Repeal. All ordinances, resolutions, motions or parts thereof in conflict herewith shall be and the same are hereby repealed.

Section Eight. Publication. This ordinance shall be in full force and effect forthwith upon its adoption, approval and publication in pamphlet form as provided by law.
