Ref: Proposed rate increase in the Sales Tax for Village's Business Development Districts

As I have indicated over the last several months, the Village staff and Village Engineer will be developing a ten year infrastructure repair and replacement program in the upcoming fiscal year. The core of that plan will be to match up annual expenses with proposed or existing sources of revenue. The various existing revenue sources that will be factored in will include:

- 1 – Business Development District Sales Tax - incremental
- 2 – Home Rule Sales Tax - incremental
- 3 – Municipal Sales Tax – incremental
- 4 – Title Transfer Fees
- 5 - Gaming Tax Receipts and related Licensing Fees
- 6 – Amusement Tax
- 7 – Motor Fuel Tax

Proposed new sources of revenue include:

- 1 – Construction Debris Tipping Fees
- 2 – Municipal Waste Transfer Station Tipping Fees
- 3 – Solar Energy Utility Sales

While all but the “Solar Energy Utility Sales” fees/taxes are already in place or imminent to be placed in service, the timing and incremental addition to the existing fees/taxes are as important as the related expenditure to which they are earmarked. To that extent, if the Village wants to increase our sales tax rate for the two “functioning” Business Development Districts, we have two annual deadlines on which to file such changes with the State – April 1<sup>st</sup> and October 1<sup>st</sup>. Changes filed by those dates become effective exactly three months afterwards – on either July 1<sup>st</sup> or January 1<sup>st</sup>.

Our current BDD Sales Tax rate is ½ of 1% of gross sales on general merchandise. It is not extended to licensed vehicles, unprepared food or prescription drugs. Our current annual receipts are about \$450,000. I would like the Village Board to raise that rate by ¼ of 1% to make the total new BDD Sales tax ¾ of 1%. This would yield an additional \$225,000 to our annual BDD receipts for a total of \$675,000 of annual BDD revenues. If we adopt the two

enabling ordinances tonight, it will give us enough time to hold the appropriate public hearings and file the required documents with the State to begin collecting the increased rate starting on July 1, of this year. This will become part of the revenue side of the 10 year capital improvement and renewal plan for the Village.

I have openly advocated the development of revenue sources that do not come directly from Village residents. Although some of this new revenue would come from Village residents through the sale of general merchandise and prepared foods, it is safe to say that the \$90,000,000 currently being spent in East Dundee on such items is clearly coming from non-residents. To put it in perspective, if every "man, woman and child" living in East Dundee spent \$100 a month inside the Village on items subject to the BDD sales tax, this would only amount to \$3,432,000 in annual sales, or about 3.8% of the taxable sales. And every resident would have spent only \$3.00 on this increased sales tax for the entire year.

**THIRD AMENDMENT TO THE  
ILLINOIS ROUTE 72 AND ILLINOIS ROUTE 25  
BUSINESS DISTRICT DEVELOPMENT PLAN**

I. *Introduction.*

The Business District Development and Redevelopment Law enacted in 1973 has been significantly amended from time to time amended (65 ILCS 5/11-74.3-1 *et seq.*) (the “*BDD Act*”), to expand and enhance the powers of municipalities to revitalize and redevelop commercial areas. The BDD Act has been most successfully used in aging central downtown districts which lack the structures, parking and improvements mandated by modern retailing and business operations.

On September 29, 2008, by Ordinance No. 08-57, the Village of East Dundee, Kane and Cook Counties, Illinois (the “*Village*”) designated the “Village of East Dundee Illinois Route 72 and Illinois Route 25 Business District” (the “*Original BD District*”); approved the Illinois Route 72 and Illinois Route 25 Business District Plan (the “*Original Plan*”); and, imposed a one-half of one percent (1/2%) retailers’ occupation tax and service occupation tax, after public hearings pursuant to notices, all as required by the BDD Act in effect as of said date. On March 7, 2011, by Ordinance No. 11-12, the Corporate Authorities amended the Illinois Route 72 and Illinois Route 25 Business District by altering its exterior boundaries to include additional properties, and amended the Original Plan by changing land uses, changing the proposed developer or proposed tenants of properties therein, and

establishing the estimated business district project costs (the “*Amended Plan*”). On March 18, 2013, by Ordinance No. 13-05, the Corporate Authorities amended the Amended Plan (the “*Second Amendment*”) to further alter the exterior boundaries of the Original BD District, as amended, to include properties located in the Village’s “downtown” district and to include new projects to further reduce the existence of blight in the Village’s commercial areas and increased estimated project costs as mandated by the addition of new projects. The Corporate Authorities have now determined that the Illinois Route 72 and Illinois Route 25 Business District Development Plan, as approved in 2008, as amended in 2011 and 2013, should be further amended to increase the retailers’ occupation tax and service occupation tax upon businesses in the Original BD District as amended in 2011 and 2013 from ½ of 1% to ¾ of 1%.

II. *Amendment to Section VIII of the Original Plan, as amended in 2011 and 2013.*

Upon designation of the Original BD District, as amended in 2011 and 2013, the Village imposed a retailers= occupation tax and a service occupation tax (the “*Taxes*”) at a rate of one-half of one percent (1/2%) of the gross receipts from sales made in the course of any business within the Original BD District, as amended in 2011 and 2013. Such Taxes are not applicable to the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics for human use.

In order to continue with the implementation of the Original Plan as amended in 2011 and 2013, it is necessary to increase the Taxes as originally imposed from ½ of 1% to ¾ of 1%.

The proceeds of these Taxes shall continue to be used during the term of the designation of the Original BD District, as amended in 2011 and 2013 for the planning, execution and implementation of the Original Plan, as amended in 2011 and 2013, the payment of business district project costs as permitted by the BDD Act and the payment of any obligations of the Village may have issued or shall issue to provide for the payment of business district project costs.

III. *Affirmation of the Provision of the Original Plan, as amended in 2011 and 2013.*

Other than the increase in the Taxes as hereinabove set forth, all other terms, conditions, provisions and covenants stated in the Original Plan, as amended in 2011 and 2013, are hereby affirmed as if fully restated in this Third Amendment.
