Participating in the [Pace Vanpool Incentive Program](#) may cost you as little as half the amount you currently spend to commute! Vanpooling is an economical, convenient, and environmentally-friendly alternative to driving alone. The traditional vanpool is designed to transport a group of 5-13 people to work in a Pace van. Pace supplies the vehicle and covers costs including fuel, maintenance, insurance, tolls, roadside assistance and van washes. Between payments, gas, maintenance, and insurance, the **cost of driving** alone is expensive. Vanpool riders pay a flat monthly fare, and drivers get personal use of the van and do not pay a fare. Backup drivers receive a \$10 per month discount.

Pace RideShare is a free, easy and convenient matching service that connects commuters who are interested in forming a carpool (2-4 people) or vanpool (5 or more people) in and around Northeastern Illinois. The program's website, [PaceRideShare.com](#), gives commuters in the Chicago area the ability to identify potential carpool and vanpool partners quickly and securely.
