

Help Save our Local Restaurants & Feed a Local Family in Need

Help Support Local Families in Need

As our local restaurants are closed, employees of these restaurants are out of work and the restaurants are at risk of never reopening. A local businessman has come up with a plan to address the issue, "What if the restaurants provided a low-cost meal funded by donations and those meals would be delivered to families who are in need?" Additionally, those **low cost meals** could be purchased by businesses and residents to help the restaurants survive during this difficult time. This plan can work and *has* already started. With a seed donation from the local businessman, 200 meals are being delivered to needy residents.

Bamboozels Bar & Grill in West Dundee was the first restaurant to join the program. River Street Tavern in East Dundee also joined the program with each delivering 100 meals per night to families in need. The dinner menus change daily for the families. Delivery of the meals was made by staff of the local Dundee Township Boys and Girls Club. **You can support this project by donating online to the Boy and Girls Club of Dundee Township. Visit www.bgcdt.org/give/donation/ and add "Dundee Food Project" in the comment section.**

East Dundee

- Aliano's Ristorante
- Mockingbird Bar + Garden
- River Street Tavern
- Uncommon Palate
