BUILDING PLAN REVIEW PROCEDURE

New Construction and Additions:

1. Completed permit Application.
2. Four (4) complete sets of construction documents including detailed site/civil plans.
3. 1 Electronic submittal.
4. Complete Engineering plan review checklist.

Altercation of a Building which is a change in use/occupancy (per Zoning Ordinance or Building code):

1. Completed permit application with Zoning Clearance Form;
2. Four (4) sets of construction documents including a site plan;
3. If this change in use modifies street access, paved area, water service or drainage, and then include 3 additional sets of site civil plans.

Interior only remodel or tenant build-out:

1. Completed permit application.
2. Four (4) complete sets of construction documents and a floor plan of entire building to indicate location of project work within building and to indicate location of exit access corridors/aisles, exit stairs and exit discharge doors.

Any fire and Sprinkler work must be submit directly to:

Fire Safety Consultants, Inc. (FSCI)
2420 ALFT Lane, B100
Elgin, Il 60124
Office 847-697-1300

Process for Building Permit:

1. Submit the proper number of construction documents, with everything required, to the Building Department.
2. The building Department will distribute plans to all other reviewing departments.
3. Each department completes its review and notifies the designer directly if the documents are incomplete or unacceptable. Any issues that arise as a result of reviews are resolved between the respective department and designer.
4. Building Department issues permit once its own plan review comments are resolved and all other parties' approvals are received. A permit will be issued and 1 complete set of documents for the applicant. The applicant is to post permit placard where it is visible from the street address or the primary entrance of the facility or space.

Inspections:

All inspection requests must be called into the Building Department except for Fire Safety consultant. For Building inspections must be called in 24 hours prior to time wanted. Phone for Building inspections 847-426-2822 x2, Fire Safety Consultants 847-697-1300.
