III. TRASH, RECYCLING AND YARD WASTE DISPOSAL

Garbage & Recycling: Trash & recycling collection is on Wednesday of each week. The exception to this rule is the six major holidays observed by Flood Brothers. During the week of the below holidays, if the holiday falls on or before our regularly scheduled collection day, the collection day for that week will be Thursday:

New Year's Day	Memorial Day
Fourth of July	Labor Day
Thanksgiving Day	Christmas Day

These are the ONLY holidays that effect garbage collection. No garbage and recyclable material shall be placed upon the tree bank, parkway, driveway or front yards earlier than 12:00 p.m. (noon) on the evening before the scheduled collection date. All containers must be removed from the tree bank, parkway, driveway or front yards no later than 12:00 p.m. (noon) on the day after the scheduled collection. This division does not include commercial properties with private refuse pick-up service. A 65 gallon recycling and garbage tote was issued to your address and should be used. Please contact Flood Brothers at (630) 261-0578 if you wish to receive a smaller container at no charge or need a 95 gallon container for an additional \$2 monthly charge.

Yard Waste: Free yard waste pick-up is available to residents beginning the first Wednesday in April and ending the last Wednesday in November. Yard waste must be put into 35-gallon container or biodegradable paper bag. Brush and tree branches are to be securely bound in bundles not exceeding four (4) feet in length and two (2) feet in diameter.
