**Children Fingerprinting** The Police Department will fingerprint your children for identification purposes. Stop by during regular business hours.

**Garbage & Recycling** Trash & recycling pick up is on Wednesday of each week. The exception to this rule is the six major holidays observed by Flood Brothers. During the week of the below holidays, if the holiday falls on or before our regularly scheduled collection day, the collection day for that week will be Thursday:

New Year's Day	Memorial Day
Fourth of July	Labor Day
Thanksgiving Day	Christmas Day

These are the ONLY holidays that effect garbage pick-up. Garbage and recyclable items should NOT be placed on the tree bank any earlier than 6 pm on Tuesday, and must be taken back in no later than 6 pm on Wednesday. This will add greatly to the appearance and attractiveness of our Village. A 65 gallon recycling and garbage toter was issued to your address and should be used. Please contact Flood Brothers at (630) 261-0578 if you wish to receive a smaller container at no charge or need a 95 gallon container for an additional \$2 monthly charge.

**Yard Waste** Free yard waste pick-up is available to residents beginning the first Wednesday in April and ending the last Wednesday in November. Yard waste must be put into 35-gallon container or biodegradable paper bag. Brush and tree branches are to be securely bound in bundles not exceeding four (4) feet in length and two (2) feet in diameter.

**White Goods** Items such as stoves, refrigerators, etc. will be picked up at no charge. Please call Flood Brothers to schedule a pick-up, 630-261-0578. Please state that you are an East Dundee resident.

**Electronic Recycling** is provided to East Dundee residents at no charge. Residents can drop old TV's, computers, printers, scanners, VCR's, etc. at 448 Elgin Ave from 7am-2:30pm, Monday-Friday.

**Parking** Village ordinance states that no person shall park a vehicle between the hours of 2:00 am and 6:00 am on any street within the Village. The reason for this is to help in police protection throughout the village and for the removal of snow. Also, no commercial vehicle of one-ton capacity is allowed to be parked in any residential district in the Village.

**Smoke Detectors** Functioning smoke detectors are mandatory as July 1, 1988 in all single and multifamily dwellings per State law.

**Solicitors & Peddlers** Need to show proof of registrations with the Village. "No Solicitors Invited" signs are available at the Village Hall. Hours of solicitation are 9 am to 9 pm Monday through Friday, 9 am to 6 pm on Saturday. There is to be No solicitation on Sundays and Holidays.

**Testing of Local Sirens** The first Tuesday of the month at 10:00 am. During threatening weather you may hear a steady wail and means a tornado has been sighted in the area-take cover. NO all clear will be sounded. You will learn of the threat's cancellation from the
