## INTEROFFICE MEMORANDUM

**TO:** Robert Skurla, Village Administrator  
**FROM:** Terry A. Mee, Chief of Police  
**DATE:** March 21, 2014  
**SUBJECT:** Proposed Draft of Class I, Specialty Shop Liquor License

I've created the following draft legislation for the Sweet Pop Fizz Candy Bar operation, based on our discussion with the principals of that business in our meeting on Wednesday of this week. As you know, their desire is to open for business in about mid-April. If the Village Board is accepting of the business plan and the following draft in general, as it's presented in a Committee of the Whole Meeting on 03/24/14, we can submit it to our legal counsel for final review and revision, if necessary.

### **Class I - Specialty Shop License, \$1000.00 license fee**

**For the retail sale of wine, craft beers, and spirits of 40 proof or less for consumption on the premises or in original package form for consumption off the premises in conjunction with the sale of specialty food and beverage items (i.e. desserts, candies, non-alcoholic beverages, and similar food and beverage items), which are sold separately and not in conjunction with full meal services. Paid alcoholic beverage tasting events are permitted, and the license hours for purposes of serving and sale of alcoholic beverages are the following: Sunday through Saturday, 9:00 a.m. until 10:00 p.m.**
