1. Invitation for Proposals

The Village intends to enter into a contract with a qualified and responsible firm for the provision of the product or service identified on the Request for Proposals, and accordingly is furnishing a set of specifications by which such a Proposal shall be evaluated. That set of specifications and all accompanying documents is also referred to as a "Proposal Package."

2. Proposal Documents

Any person or firm desiring to submit a Proposal for the product or service described in the identified Proposal Package shall submit Proposals following the applicable instructions and format of the documents of the Proposal Package as provided or stated therein.

3. Proposal Package

A typical Proposal Package consists of a) a Request for Proposals, b) Instructions for Proposals, c) Proposal Form, and d) Specifications. The Specifications may consist of documents and drawings, which will be identified. However, each prospective Proposal is hereby instructed to ensure that it has a reasonable opportunity to submit a complete Proposal. The Village hereby issues a disclaimer that this clause is not a substitute for the careful reading of and response to all documents by the Proposing Firm.

4. Investigation by Prospective Proposing Firms

It shall be the responsibility of the Proposing Firm to thoroughly read and understand the information, instructions, specifications, and requirements. Proposing Firms are expected to fully inform themselves as to the requirements for the provision of the specified goods or services before submitting Proposals. Failure to do so is at the risk of the Proposing Firm. No plea of error or plea of ignorance by the Proposing Firm of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the Proposing Firm to make the necessary examinations and investigations will be accepted as a basis for varying the requirements of the Village. The submission of a Proposal means that the Proposing Firm has familiarized itself with all conditions, requirements, and specifications, and intends to comply with them (unless specifically noted otherwise in writing) without exception.

5. Proper Completion of Proposal Documents

Proposal documents must be signed by an officer or employee of the Proposing Firm having the authority to bind the company or firm by signature. 7. Withdrawals and Declinations

A written request for the withdrawal of a Proposal may be granted if the request is received by the Director of Public Works or his/her designee prior to the specified time of opening. After the opening, the Proposing Firm cannot withdraw or cancel its Proposal for a period of sixty (60) calendar days, and such Proposals will be binding during that time.

Prospective Proposing Firms that decline to submit a Proposal are requested to so notify the Village in writing, and to indicate if they would like their name to be kept on a future project list. However, this is not mandatory.

8. Non-Acceptance of Proposals

No Proposal shall be accepted from, or contract awarded to, any person, firm, or corporation that is in arrears or is in default to the Village upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to the Village, or who has failed to satisfactorily perform any previous contract with the Village.

9. Proposal Opening Procedures

The opening of all Proposals shall commence immediately after the stated delivery date and time deadline in the Request for Proposals, in the Public Works Conference Room, 900 Angle Tarn, West Dundee, Illinois and all prices shall be publicly read or posted. The opening and reading of all Proposals shall, however, be subject to the Village's rules regarding bonds and any other applicable regulations, as well as the requirements of this document. All prospective Proposing Firms and the public may attend the Proposal opening.

10. Proposal Review Procedures

After Proposal opening is completed, the Village will then take all Proposals under review. The Village will generally endeavor to complete its evaluation of Proposals and render a decision within sixty (60) days after the opening of Proposals. The Village may need to extend the decision deadline if the complexity of a project or product purchase warrants an extension. The Village will so inform the submitted Proposal Firms.

11. Competency of Proposing Firms

The opening and reading or posting of Proposals shall not be construed as acceptance by the Village of the Proposing Firms as being qualified, responsible candidates. The Village reserves the right to determine the competence, financial and operational capacity of Proposal firm. Upon request by the Village, the Proposing Firm shall furnish evidence as may be required by the Village to evaluate its ability and resources to accomplish the services or furnish the product required by the Specifications. The Village shall unequivocally be the sole and final judge of such competency, and its decision shall be final and shall not be subject to recourse by any person, firm, or corporation.

12. Pre-Proposal Meetings

If a Pre-Proposal Meeting will occur, the parameters under which it will be held will be listed in the Specifications.

13. Questions and Addenda

If upon review of the Proposal package, a prospective Proposing Firm has any questions; such questions must be put in writing and shall be directed to the staff person identified in the Specifications. The written questions, along with the Village's responses, shall be circulated to all known prospective Proposing Firms without identifying the party submitting the questions. The date and time cut-off for receipt of additional questions shall be as listed in the Specifications in order to adequately facilitate preparation of any addenda. No inquiry received after that time will be given consideration. Replies and/or addenda will be provided to all known prospective Proposing Firms by the date and time listed in the Specifications.

The same procedure applies if a Pre-Proposal Meeting occurs that is not mandatory. If a Pre-Proposal Meeting occurs that is mandatory, no addendum will be issued specifically from that forum.

Receipt of any addenda must be acknowledged in writing as part of the Proposal on the Proposal Form. Prospective Proposing Firms shall be responsible for ensuring that they have received any and all addenda. The Village shall not assume responsibility for the receipt by a prospective Proposing Firm of any addenda.

14. State of Illinois Requirements

The State of Illinois governs certain aspects of bidding as follows:

A. **Interference with Public Contracting.** Illinois State Statutes 720 ILCS 5/33E state that it is unlawful to participate in bid rigging and/or rotating, kickbacks, bribery, and other related interference with public contracts. The statutes require that a certification be submitted by a Proposing Firm specifically attesting to the provisions of Subsections 33E-3 and 33E-4.

B. **Tax Delinquency.** Illinois State Statutes 65 ILCS 5/11-42-1 state that it is unlawful to award a contract to any individual or entity that is delinquent in the payment of any tax administered by the State of Illinois Department of Revenue unless the individual or entity is contesting the amount and/or liability in accordance with the procedures established by the appropriate revenue act. The statutes require that a certification be submitted by a Proposing Firm attesting to Section 11.42.1-1.

C. **Sexual Harassment.** Illinois State Statutes 775 ILCS 5/2-105 requires that any party to a public contract must furnish evidence of adoption of a written policy on sexual harassment pursuant to the statute. The Village's interpretation of this statute is that such a policy does not have to be submitted with the Proposal, but the Proposing Firm must have one in order to receive a contract.

All prospective Proposing Firms are obligated to be aware of these requirements prior to deciding as to whether or not they will submit a Proposal.

For the convenience of Proposing Firms, a certification statement consolidating all of the above requirements has been prepared. The enclosed Certification Form must therefore be signed and submitted in order for a Proposal to be considered. NOTE: IT IS NECESSARY THAT THIS BE DONE UNDER OATH. THEREFORE THIS FORM MUST BE NOTARIZED.

In addition, all other Federal and State Laws shall be observed where applicable, including but not limited to:

..Prevailing Wage Act [820 ILCS 130/0.01 et seq.]

..Illinois Human Rights Act [775 ILCS 5/1-101 et seq.]

..Public Works Employment Discrimination Act [775 ILCS 10/0.01 et, seq]

..Illinois Blacklist Trade Law [775 ILCS 15/1 et, seq.]

..Public Works Preference Act [30 ILCS 560/0.01 et, seq.]

15. Rejection; Waivers

The Village of West Dundee unequivocally reserves the sole right to reject any and all Proposals; waive formalities, technical deficiencies and irregularities; solicit new Proposals; or otherwise solicit Proposals or quotations if some other manner of negotiation better serves its interests. Its decision shall be final and shall not be subject to recourse by any person, firm, or corporation.

16. Alternates and Substitutes

The Village of West Dundee unequivocally reserves the sole right to accept or reject any and all alternates and to judge whether or not any alternate or substitute is of equivalent or better quality. Its decision shall be final and shall not be subject to recourse by any person, firm, or corporation.

17. Award of Contract

A. Authority of the Village: The Village Board shall have the authority to award contracts.

B. Lowest Responsible Proposal: A contract for the described product or service shall be awarded to the lowest responsible Proposing Firm whose Proposal will be on an overall basis most advantageous to and in the best interests of the Village of West Dundee to accept. In awarding the contract, in addition to price, the Village Board shall consider, including but not limited to, the following factors:

- 8) The quality of the service itself, or the quality and durability of the product itself;
- 9) The ability of the Proposing Firm to provide future maintenance and service for the use of the subject of the contract;
- 10) The number and scope of conditions attached to the Proposal by the firm;

Any or all of the above factors as well as price will be considered as elements of a responsible Proposal at the sole discretion of the Village. The Village Board's decision shall be final and not subject to recourse by any person, firm, or corporation.

18. Samples and Demonstrations

Evidence in and the like may be requested or required. If so, such will be listed in the Specifications. Such samples and demonstrations are to be furnished after the Proposal opening only upon the request of the Village unless otherwise stated in the Specifications.

19. Pricing and Taxes

Unit prices shall be shown as applicable for each unit on which there is a Proposal, and shall include all packing, crating, handling, freight, shipping, and delivery charges, as well as the cost of unloading at the destination unless otherwise stated in the specification. The Specifications will indicate the appropriate delivery address.

Prices shall not include any local, State, or Federal Taxes. The Village of West Dundee is exempt by law, from paying State Retailer's or Service Occupation Taxes, Federal Excise Taxes, and similar taxes.

Cash discounts will not be considered in determining the overall price in a Proposal, but may be used in an overall evaluation.

20. Errors in Proposals
