

Food and Dining Establishments in West Dundee - Open/Closed Status for Pick-Up and Delivery

To the best of our knowledge as of April 1, 2020 - Check back or contact stores directly for updates

On March 16, 2020, Governor Pritzker issued an order that all Illinois restaurants and bars must close for dine-in service to aid in slowing the spread of COVID-19. While necessary and prudent, this poses an obvious hardship for restaurateurs. The Village of West Dundee endeavors to assist residents and businesses alike by providing a list of available pick-up and delivery options provided by our local restaurants and food establishments. This information is subject to change.
