Due to COVID-19 and the CDC's guidance as it relates to social distancing, **all Village of West Dundee facilities are temporarily restricted from public access.** The Village staffs of the respective departments are still working during their normally scheduled hours and are available to provide assistance. At this point time, we would strongly recommend that routine items or needs be deferred.

Drop boxes for correspondence to the Village and/or water bills payments are located on the exterior of each of the Village buildings. We encourage you to utilize those. In addition, all Village facilities and employees are available via email. **General correspondence can be directed to villagehall@wdundee.org**, and will be routed to the appropriate individual or department.
