## **PRESS RELEASE**

### **SHOOTING INVOLVING FEDERAL TASK FORCE**

May 18, 2017

On May 17, 2017 Agents and Task Force Officers assigned to the Drug Enforcement Agency and Homeland Security Investigations were involved in a joint drug operation outside the West Dundee area. At approximately 6:48 PM, West Dundee Police were notified that shots were fired when Agents attempted to arrest two defendants at Route 72 and Sleepy Hollow Road in West Dundee. No Agents or Officers were injured during this incident. One suspect is being treated at a local hospital with non life threatening injuries and one suspect is in custody. Both defendants are facing charges in Kane County. The roadway remained closed with assistance from the Kane County Office of Emergency Management while police investigated and collected evidence, including the recovery of a handgun at the scene. At approximately 12:15 AM, the roadway was opened. There was no danger to nearby residents. The Illinois State Police are conducting the investigation into the shooting. Once their investigation is complete, the findings will be forwarded to the Kane County State's Attorney's Office for review.

Anyone with information involving this shooting is encouraged to contact the West Dundee Police Department's Investigations Division at 847-551-3810.
